

**FINISHING SCHOOL PROGRAMME FOR WARDS OF
ARMY PERSONNEL BY IITM PRAVARTAK**

1. IITM Pravartak (an IIT Madras initiative to support startups working in various fields) has offered a special "Finishing School Programme" for engineering school graduates, who have completed their graduation within last two years and looking for jobs. This programme will be a specific initiative for the wards of both Serving and Retd Army personnel with preference towards wards of the deceased Army personnel.

2. The programme will help the students to get trained in specific domain areas that would help them to get placements in various companies. They will also provide placement assistance once the training is completed. This in-house training will be provided at IITM PTF, IITM Research Park, for three months with a minimum monthly stipend. The salient aspects of the pgme are as under :-

~~(a) A batch of 30 students will be trained in hybrid mode with 3-4 days of classroom in a week.~~

(b) Engineering graduates passed out in last two years can apply for the course.

(c) No cost will be levied for wards of Defence personnel.

(d) The date of commencement of programme will be intimated separately.

(e) Accommodation for the wards will have to be done under own arrangements for the duration of course. HQ Dakshin Bharat Area shall provide necessary assistance as available.

(f) A certificate on completion of course shall be provided by IITM Pravartak post successfully completion of courses.

3. Contact details are as under :-

(a) Mr. Balamurali, GM Skills Development
Email id : bala@pravartak.net
