Special online session on Emerging Technologies and overview of revised curriculum of AI for classes XI & XII

To keep school leaders abreast of technological advancements and to equip them with the latest knowledge in emerging technologies, CBSE is conducting a special session for school leaders and Principals on Emerging Technologies.

This session will enable educators to gain insights into the latest technological trends and how they can effectively implement and promote technology-driven education in their institutions. It is hoped that through this session school leaders will get an overview of Generative AI, Data Analytics, and Blockchain and their applications in the school ecosystem.

The session will also include an overview of the revised curriculum of AI for classes XI & XII.
