Subject: Observation on Question Papers (2024-25)-reg

Madam/Sir,

You are aware that CBSE Examinations for Class X and XII will start from 15th February, 2025. Every year, schools are requested to send their observations and issues (if any) with respect to the question paper administered to the CBSE in OECMS.

The following has been observed by the Board:-

1. Schools usually send observations to various emails IDs not meant for the purpose.
2. Observations are sent after several days of the conduct of the examination in that subject.
3. Observations sent are vague and not clear. For example- The question is not correct. But what is not correct in the question is not mentioned.

To streamline this process, the following is requested:-

- i) Observations should be uploaded on OECMS portal.
- ii) Observations should be sent on the same day of the conduct of examination.
- iii) For any query please send mail to qpobservation@cbse.gov.in

In case, the observation(s) received are not clear, not received on time, not in compliance with the instructions issued by the CBSE, or vague, no action will be taken by the Board.

Your assistance is requested on time so that appropriate action is taken by the Board.
