

ACHIEVEMENTS OF OUR YOUNG BUDDING STARS ARMY PUBLIC SCHOOL, KHADKI

1.MASTER HARSH SANE- A STORY OF DETERMINATION AND TRIUMP

Master Harsh Sane, born in 2017, has been a proud student of Army Public School, Khadki since 2023 (Class I) and is presently studying in Class III-C.

Harsh is a child with Mild Autism Spectrum Disorder (ASD) and ADHD. His speech and social development were delayed, and he began speaking after three years of age. Initially, he faced challenges such as distractibility, short attention span, and difficulty sustaining activities beyond 2–3 minutes.

As part of his CWSN (Children with Special Needs) management plan, skating was recommended to enhance his concentration, coordination, and attention to detail. With the wholehearted support and enthusiasm of his parents, Harsh began professional skating coaching in February 2024.

What followed is truly inspiring.

Harsh developed a deep passion for skating and demonstrated exceptional perseverance and dedication. His hard work soon translated into remarkable achievements at various prestigious competitions:

Major Achievements:

1. Endurance World Championship 2024–25 (Under-8 Category) – Represented India and won 2 Gold Medals (1st Position).
2. Gold Medal – 12th National Roller-Skating Championship 2024–25.
3. 1st Position – 21st LXT United Inter Club Races 2024.
4. 1st Position – Open Inter School Speed Skating Championship 2024 organised by Fighter Skate India.
5. 1st Position – Open District Roller Skating Championship 2024 organised by Winners and Sprinter Skating Academy.

Harsh's journey reflects resilience, determination, and the power of structured intervention combined with parental and institutional support. APS Khadki takes immense pride in his

accomplishments and wishes him continued success as he scales greater heights in his skating journey.

2.IUCAA NATIONAL SCIENCE DAY COMPETITION

National Science Day was celebrated with great enthusiasm at the Inter-University Centre for Astronomy and Astrophysics (IUCAA), Pune on Saturday, 21 February 2026. The event featured a Science Quiz, Painting Competition, and Essay Writing Competition, with participation from more than 50 students representing various schools across Pune.

Army Public School, Khadki proudly sent a team of five students:

- Ayan Gantayat, Vidushee Joshi, and Amarth Mishra – Quiz Competition
- Geetika Chiity – Painting Competition
- Laviska – Essay Writing Competition

The team was accompanied and guided by their dedicated science teacher, Ms. Supriya Tiwari.

Outstanding Achievements:

- 1st Position – Quiz Competition
- 1st Position – Essay Writing Competition
- Awarded the Best School Trophy
- Presented with a Telescope in recognition of exceptional overall performance

This remarkable achievement reflects the scientific temperament, academic excellence, and dedicated mentorship that APS Khadki nurtures in its students. The accomplishment brought immense pride to the school community.

3.Young Sporting Star – Vanyaa (Grade 8F)

We are equally proud of Vanyaa of Grade 8F, the youngest member of the winning team from Pune that clinched the prestigious Grovers Cup 2026 in Golf. sHer achievement at such a young age highlights her talent, commitment, and competitive spirit.
